PROFILE

I am an enthusiastic and dedicated aspiring Frontend Developer with a growing proficiency in web development technologies, particularly in React JS. My passion for creating user-friendly web applications drives me to continually enhance my skills. While I may not have extensive experience, I am committed to learning and contributing to projects that meet the needs of users and clients. I aspire to be a valuable asset to a dynamic development team.

EDUCATION

Bachelors of Arts, Bankura University
English Honors

2020-

SKILLS

Technical Skills HTML, CSS, SCSS/SASS, Tailwind CSS, Javascript, Typescript, React.js, vite.js
Redux/Flux, Git, Github, Babel, Webpack, npm, REST API, Axios

PROJECTS

IMAGE GALLERY

DEMO

- Leveraged **Vanilla JS** for DOM manipulation and **Tailwind CSS** framework for styling the application and making it **responsive** across different devices.
- Implemented a feature where user can **change the orientation** of the images.
- Implemented **Infinite Scrolling** and handled the scenario multiple API calls at once.
- Leveraged **IntersectionObserver API** to implement lazy loading for dynamically inserted Images.

MOVIES GALLERY

DEMO

- Leveraged **React Js** library to build reusable components and established multiple routes using **react-router-dom**, enhancing navigation and app structure.
- Utilized **Tailwind CSS** framework to style the application, ensuring responsiveness across devices.
- Seamlessly integrated **RESTful API** using **Axios**, enriching the app with dynamic data.
- Handled making excessive **API** calls caused by **Infinite scroll** in two routes.

CURRENCY GLOBE

DEMO

- Utilized React JS library with Tailwind CSS for **responsive design**, featuring multiple routes created with react-router-dom to enhance navigation and app structure.
- Implemented theme color change feature utilizing **Redux Toolkit**.
- Implemented last 7 days currency exchange rate data in **chart** format leveraging **d3.js** library.

ACHIVEMENTS & CERTIFICATES

- Ranked 4195 in JEXPO 2022.
- Learned Python basics in 2 consecutive days
- **2*** problem solver in **HackerRank**
- **5*** in Python in **HackerRank**
- **4*** in JS in **HackerRank**
- [Javascript \(Basic\) Certificate - HackerRank](#)
- [CSS \(Basic\) Certificate - HackerRank](#)
- [React \(Basic\) Certificate - HackerRank](#)
- [Problem Solving \(Basics\) - HackerRank](#)
- [Python \(Basic\) Certificate - HackerRank](#)
